

What's Next? Conducting an Incident Response Review

AREAS TO ADDRESS

Which areas do you need to address during your review?

- ▶ Technology
- ▶ Operations
- ▶ Policies
- ▶ Facility

QUESTIONS TO ASK

Ask yourself the same questions when evaluating each area:

- ▶ What went well?
- ▶ What was unsuccessful?
- ▶ What did we learn?
- ▶ What can we do differently next time?

WHAT COMES NEXT?

Apply what you learned:

- ▶ Complete after-action reporting
- ▶ Develop or update continuity-of-operations and disaster recovery plans
- ▶ Upgrade technology
- ▶ Revise policies
- ▶ Outline additional crisis scenarios for future consideration

FUNDING IMPROVEMENT

Funding is available to support the following activities:

- ▶ Continuity-of-operations, incident response, and disaster recovery planning
- ▶ Purchase of personal protective equipment (PPE), as well as information technology (IT) and power equipment
- ▶ Development, delivery, and evaluation of training programs
- ▶ Construction or renovation
- ▶ Consulting
